

Food Pantry Guidelines

We are happy to offer food pantries at our three main clinic sites* and strive to serve as many people as possible.

When visiting our pantries please keep in mind:

- One person per household is welcome to shop one PH pantry location weekly.
- Shoppers must be 18+ yrs old.
- Shopping guidelines: 1 meat item/household, 1 dairy item/household
- Stocked provisions are based on what is available through our partner, Food Gatherers. We are unable to accommodate specific dietary requests.

Please be patient and considerate of others waiting to use the pantry.
Rude or inappropriate behavior will not be tolerated.

Clients are accompanied to the pantry on a first come/first serve basis.

Should necessary circumstances arrive, the pantry may close without notice.

If you are experiencing food insecurity that is not addressed with our current pantry operations, please inform our staff.

* Our three pantry locations: PH West (1915 Pauline Blvd), PH Carpenter (2650 Carpenter Rd), PH Ypsi (200 Arnet St).
Please visit our website for details and hours of operations.
